BACKGROUND

Los Angeles County Supervisor Gloria Molina will join locally elected officials, health care advocates, and community members to officiate the East Valley Community Health Center Grand Opening and Ribbon-Cutting Ceremony. The non-profit center will serve thousands of residents annually and be the latest addition to the county's public-private partnership health care network. Molina assisted in building the clinic—a health care milestone for the San Gabriel Valley—by providing \$100,000 in First District Community Development Block Grant monies for this purpose.
